100 Years of Award-Winning Educational Equipment & Support

YWCA High Point uses Gray and Creech for our copier/scanner/printer. I love working with Ryan

Throckmorton. He is super quick to respond and always makes sure that any issue gets resolved quickly and to our satisfaction. I don't think I have ever had to wait more than an hour for a resolution to an issue. Love doing business with them."

The Lung Cancer Initiative has had a great experience with Gray & Creech. Kyle

McCrory goes above and beyond with customer service for our group. We recently added a new copier to our office, and the installation and set-up was a smooth process thanks to Kyle! Teresa always provides excellent customer service when I call their office!"

Gray & Creech (especially Chris) has been a pleasure to work with over the years. We

just finished our first contract with them, and we decided to re-up and even add a second machine! They are always very professional and responsive. We at AMS of GSO can't recommend them highly enough"
